TO: GCSO Board of Directors

FROM: GCSO Staff, Division Chief Paul Avila

DATE: June 22 2017

SUBJECT: Consider for Approval request to extend the Agreement for Emergency Fire Services between Tuolumne County, Cal-Fire and Groveland Community Services District

SUMMARY

The District has received notification from Cal-Fire that due to the ratification process with the collective bargaining unit labor agreement taking longer than expected the agreement for Emergency Fire Services set to expire June 30 2017 will be extended for up to one year to continue continuity of service for the County and the District. Division Chief Avila comments;

“ It does not look like we will be able to have a new contract to the either agency by July 1st. The contract originally signed on 6/03/14, Exhibit C, section 4 "Initial Term And Renewal". This provides the language allowing the contract to be extended by one year.”

The specific contract with Tuolumne County language reads:

“If LOCAL AGENCY fails to provide the notice, as defined above in (A), STATE shall have the option to extend this agreement for a period of up to one year from the original termination date and to continue providing services at the same or reduced level as STATE determines would be appropriate during the extended period of this agreement. Six months prior to the date of expiration of this agreement, or any extension hereof, STATE shall give written notice to LOCAL AGENCY of any extension of this agreement and any change in the level of fire protection services STATE will provide during the extended period of this agreement. Services provided and obligations incurred by STATE during an extended period shall be accepted by LOCAL AGENCY as services and obligations under the terms of this agreement.”
