**FROM: Jennifer Flores, Administrative Services Manager**

**DATE: February 8, 2022**

**SUBJECT: Agenda Item 4C: Adoption of a Resolution Proclaiming A Local Emergency Persists, Ratifying the Proclamation of a State of Emergency by Governor’s Executive Order N-25-20 and Order N-29-20, and Re-Authorizing Remote Teleconference Meetings of the Legislative Body of the Groveland Community Services District for the Period of February 8, 2022 through March 8, 2022 Pursuant to Brown Act Provisions**

---

**RECOMMENDED ACTION:**

*I move to approve Resolution 05-2021 Ratifying the Proclamation of a State of Emergency by Governor’s Executive Order N-25-20 and Order N-29-20, and Re-Authorizing Remote Teleconference Meetings of the Legislative Body of the Groveland Community Services District for the Period of February 8, 2022 through March 8, 2022 Pursuant to Brown Act Provisions.*

**BACKGROUND:**

In March of 2020, the Governor issued Executive Order N-29-20 (“Order”) suspending portions of the Brown Act and allowing public meetings to occur virtually. That included restricting the public to attend the meetings virtually without a physical location. The Governor’s Order expired on September 30, 2021.

On September 16, 2021 the Governor signed AB 361 that amends the Brown Act teleconferencing requirements to allow a public agency, during a declared emergency (such as the current pandemic), the option of holding meetings remotely without following the current teleconferencing requirements in the Brown Act and restricting the public’s access to telephone or video conference. However, it establishes procedural hurdles that must be followed and maintained during the election to meet remotely.

Following are requirements for invoking AB 361 the first time that a public agency does so:

1. There must be a “proclaimed state of emergency,” *as there is currently, in that the Governor’s State of Emergency Declaration, issued on March 4, 2020, has not been lifted, and*
2. One of the following three circumstances must exist:

- a. State or local officials have imposed or recommended measures to promote social distancing, *which also currently exist in California in light of the COVID-19 pandemic*;
- b. The meeting is held to determine, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to health or safety of attendees; or
- c. The majority of the legislative body has voted that, as a result of the emergency, meeting in person would present imminent risk to the health or safety of attendees.

If a public agency wishes to consider invoking AB 361 for subsequent meetings, the following is required for those subsequent meetings:

1. The proclaimed state of emergency must remain active; or
2. State or local officials have imposed or recommended measures to promote social distancing; and
3. Not later than 30 days after teleconferencing for the first time under the AB 361 rules, and every 30 days thereafter, the Legislative body shall make the following findings by majority vote:
  - The legislative body has reconsidered the circumstances of emergency, and at least one of the following circumstances exist:
    - a. The state of emergency continues to directly impact the ability of the members to meet safely in person; or
    - b. State or local officials continue to impose or recommend measures to promote social distancing.

The requirement that a Legislative body must make one of the two findings listed directly above by majority vote every 30 days to continue to invoke AB 361, will result in the need to hold special Board meetings prior to some of the regularly scheduled monthly meetings as they will fall outside the 30-day window.

**FISCAL IMPACT:**

None.
