## Coming Soon

Mary Laveroni Park is undergoing a major transformation! The Groveland Asset Rehabilitation and Beautification Project is now underway, thanks to the \$1,027,145 grant funded by the Clean California Local Grant Program. The funding will support the improvement and addition of several amenities to enhance accessibility and functionality. Please stop by and take a look around!

We are equally excited about the Hetch Hetchy Railroad Trail Project to be completed in 2029, funded by a \$4.2 million grant from the California Transportation Commission. Phase 1 will be a 1.7-mile trail that will run from the Groveland Sports Complex to Deer Flat Road.
