| Preliminary Public Input in Review of the Proposed District B for the 20/21 Fiscal Year Beginning July 1, 2020 | |

SUMMARY

The purpose of this budget workshop is for staff to introduce draft budget assumptions, criteria, goals and objectives to the Board and public, to answer questions and receive Board direction for the preparation of a Final Draft Budget. The draft budget will be reviewed again at the Regular Meeting of June 9, 2020, and a Public Hearing to receive formal public testimony regarding its adoption is scheduled on June 23, 2020 at 10:00AM.

With the fiscal year budget becoming effective July 1 each year, the law requires that either a preliminary or final budget be adopted by that date. During the Board's May 12, 2020 regular meeting, staff was directed to plan for a final budget to be adopted in June, to be effective July 1, 2019. The direction received from the Board at this meeting will help guide staff in the development of draft preliminary and final budgets, and to ensure that the proposals submitted are consistent with Board goals and objectives.

PRELIMINARY FY 2020-21 BUDGET

DISTRICT WIDE SHEET

This sheet serves as a summary snapshot for the District's four (4) funds. The final budget will contain each fund's actual fund balance as staff noticed that using the budgeted figures results in a skewed net position that does not reflect actuals.

FUND REVENUE SHEETS

These sheets have been updated to reflect anticipated revenue based on current year actuals as well as planned rate increases and/or property tax allocation. Staff has broken total revenue into two (2) subtotal lines, one that contains grant revenue and one less grant revenue.

FUND EXPENSE SHEETS

These sheets have been updated to reflect anticipated expenses for existing items based on current year actuals as well as additional planned expenses for the upcoming fiscal year. Staff does anticipate slight modifications to these between now and when the final budget is produced.

CAPITAL SHEETS

These sheets contain the current fiscal year's budgeted items, projected year end figures for these items, and the planned capital projects and expenses for the upcoming fiscal year. Staff does anticipate slight modifications to these between now and when the final budget is produced.
